The biggest news of August is obviously the release of the **Expanded Edition of “I Choose to Forgive.”** We are so pleased that God continues to spread his message of forgiveness through the vehicle of our personal journeys. Please, it would be so helpful if you would post a review of it on Amazon once you’ve read it, as well as mentioning it via any social media sites you may use. Thank-you!

The cover art is a painting by Eva Crawford, a member of my ArtsCharlotte Core Team. It is called, “Set Free.” To see her other artwork and purchase prints: <https://www.evacrawfordart.com>
