

From a world-renowned painter, an exploration of creativity's quintessential—and often overlooked—role in the spiritual life. Written over thirty years of painting and creating in his studio, this book is Makoto Fujimura's broad and deep exploration of creativity and the spiritual aspects of "making." (Google Books)

Dr. Dianne B. Collard invites you to join a virtual book group for the study of "Art+Faith: A Theology of Making" by Makoto Fujimura. The author has asked us to "test" the study guide before publishing, so we have the privilege of being among the first to use it.

The group will meet weekly via Zoom on Tuesday evenings, starting on February 01, 7:00 p.m. Please send your desire to register for the book group to:

Participants will be required to order the book and the study guide will be sent to you via email.
