

Joyous Christmas

LOVINGLY, DIANNE AND GLENN COLLARD DECEMBER 2021

Although life is still not “normal” with the on-going pandemic, we are looking forward to having all of our family (except one granddaughter in California) together this year.. It means so much to celebrate together. We continue to grieve with those who have gone through sickness and loss of loved ones. We also are grieving. But—because Christ came, we also have hope.. Praise God that Christ is **IMMANUEL**—GOD WITH US throughout eternity! Let’s celebrate **HIS COMING**.

Wishing you a
blessed Advent
and joyous
Christmas
Season.
