

## Celebrating 53 years of Marriage on June 25!

### A Month of Family Ministry and Beyond

\* Our California trip between May 15 and June 14 was filled with supporting Glenn's mom as she recovered from a broken hip and surgery; meeting with long-time friends; and speaking in churches in Fresno, Sacramento area, and Lompoc. We shared *Abstraction* six times. I gave five "formal" messages, prayed with and/or counseled several people, and served as a consultant with

an arts and faith organization. It was a very rich, busy time. Thank you for your prayers!

\* Since returning home, I have focussed on re-connecting with the A.C.T. Intl Europe/Israel staff and planning the summer of activities with ArtsCharlotte. I hope to finally complete my writing project this summer (prayers are appreciated!). The Expanded Edition of *I Choose to Forgive* is in the editing process at Cascade Publications.

\* Glenn, through his Coram Deo ministry, is planning a trip to Ireland next May. It is a spiritual pilgrimage as we'll follow the life and ministry of St. Patrick—a 5th Century missionary. Join us!

### Prayer & Praise

- \* Praise God for a safe and productive California trip
- \* Praise God for the on-going recovery of Glenn's mom
- \* Pray for all who saw *Abstraction*

- \* Thank-you God for our 53 years of marriage and ministry together.
- \* Pray for the many activities planned for ArtsCharlotte this summer.
- \* Pray for the health of the marriages of Christian leaders.
- \* Praise God for his provision financially for our California ministry.
- \* Pray for increased financial support for my on-going ministry.

# Summer Ministry

- ❖ ArtsCharlotte team working in an arts' school for lower-economic children; developing public art expressions for low-economic housing sites; doing arts' exhibitions around Charlotte; partnering with other groups who are focused on racial reconciliation, and more. We are consulting with a local church who is developing an art gallery in their new building. Many opportunities!
- ❖ Book Discussions: two groups are studying *Culture Care* this summer—I will lead the group in south Charlotte.
- ❖ Coffee & Conversation: I will lead the discussion, held at a local coffee house, concerning the nexus of the arts and faith.
- ❖ Glenn and I are available to share *Abstraction* and speak in churches, community events or home groups. Contact me.
- ❖ ArtsCharlotte's Artistic Communities will meet around Charlotte. See [website](#) for details.
