MAY'S CELEBRATIONS AND CHALLENGES

On the previous page, you can see some of the many exhibitions openings in May for members of the ArtsCharlotte Core Team and others whom we are trying to encourage.

The picture to the left is the graduation (with honors) of our beautiful granddaughter. Her fiancé also graduated and we had a wonderful celebration with both families.

We are currently in Fresno, CA to assist with the care of Glenn's mom as she recuperates from a broken femur and a partial hip replacement. It is a joy to be able to help her and relieve Glenn's sister of the full responsibility.

We are also speaking at churches in Fresno, Sacramento and Lompoc, CA. Opportunities to share the film, **Abstraction**, have opened up and we've been amazed at how the Lord is using it—even in the nursing home! Today, the entire care staff of the skilled nursing division saw the film and many purchased my book. Praise God.

A MINI-FAMILY REUNION

It had been nearly a decade since Glenn's siblings had all been together. We had a delightful time last Saturday as we all met around the bed of their mom and ate a couple of meals together. It was a time of laughter, tears and prayers. We are so grateful for this opportunity to be together!
