1 Serving on the Arts+Europe Executive Leadership Team

Arts+Europe is a network of Christian art initiatives which enables regional, national, and international “RoundTables” for the purpose of information exchange, mutual encouragement, and co-operation.

I am privileged to sit on the Executive Leadership Team for this essential organization in Europe. Last Saturday we had the first *virtual* Symposium. We had 51+ participants—all leaders of arts & faith organizations—from 18 countries. It was quite a challenge and delight to have presentations from many of these leaders about the creative activities they are doing to further the Kingdom of God in Europe through all artistic genres.

I was privileged to work in the planning of this major event; lead a break-out group; and, finally, present the final prayer/blessing for all the attendees. I felt God gave me a very special prayer for the attendees. (A copy of this prayer is an additional attachment.) Check out the new website: www.artsplus.eu.

★Prayer & Praise

- ◆ Prayer for healing of the recurring bronchial/larynx infections that have lasted 7 weeks so far. Very debilitating.
- ◆ Prayer for direction for leading ArtsCharlotte into the fall, with the on-going pandemic restrictions.
- ◆ Prayer for my writing of articles and “The Book.”
- ◆ Praise for our family’s health during this time.

★Partner with Me

The challenge of living on faith support for ministry becomes even greater during this time of economic uncertainty. Please consider joining my team of partners through giving and prayer.
