ENCOURAGING, EDUCATING, ENGAGING

- * ArtsCharlotte seeks to encourage the arts and artists—both towards excellence in their craft and in their spiritual walk.
- * ArtsCharlotte is committed to arts education for all ages and for people with special needs. We also offer assistance to churches in understanding God's purpose for the arts in His Kingdom work and in the establishment of church-based art galleries.
- * ArtsCharlotte encourages artists-of-faith to engage in the arts community of our city and we seek to challenge them to be involved with meeting the felt needs of our community through the arts. This may include working with marginal people groups; bringing beauty and community through the arts in affordable housing projects; and contributing to true racial reconciliation through expressing lament, forgiveness and then in building relationships.

Abstraction continues to be accepted in film festivals—the most recent in Detroit, Grand Rapids, and Toronto. It will be screened by the Justice Film Festival in NYC & the Great Lakes Film Festival. We can show it at your event—if we are invited to be there as well. We would be delighted to speak, do a book signing, or conduct a full retreat/seminar for your church or organization. Contact us!

THE COMMAND TO FORGIVE COMES WRAPPED IN THE LOVE OF GOD

Prayer/Praise

- * Help in marketing of the book and film; scheduling of speaking engagements (very daunting task!).
- * Safe, effective trip 04-14 October in Tallinn, Estonia for **Arts+Europe** meetings and assisting in leading the Arts Track of the **Hope for Europe Conference**.
- * For the many people who will hear about God's plan of forgiveness in the film festival screenings.
- * Decision by film company/producers of how to distribute **Abstraction**, beginning in 2019.
