MY NEW LOCAL MINISTRY: MERAki*CONNECTION

* To do something with soul, creativity, or love; to leave a piece and essence of yourself in your work.

*Meraki*Connection* is a ministry of Dr. Dianne Collard which exists to nurture the souls of the artists of Charlotte.

More details in next newsletter. Please PRAY for the launch of Meraki*Connection this fall.

A strange sign we encountered in Fresno, CA. Does it really mean what it says?

PARTNERSHIP IN MINISTRY

What does it mean to be in *partnership in ministry*?

Here's one definition that I find helpful:

The word "partner" from an Old French word "parçonier" which mean "joint owner and/or joint heir." The word "ship" comes from the Old English word "-sciepe" which means "state or condition of being." Put them together the word literally means "*the state of being a joint owner.*"

Your regular (or special) gifts to this ministry makes us *joint owners* in the blessings from God as we serve Him in this very unique way. Please join me.
